

Reveal Hair Salon

COVID-19 Guidelines

Clients and staff are required to follow the guidelines below in order to ensure everyone's safety during the COVID-19 pandemic.

Personal Protective Equipment

- Clients are required to wear a face mask that hooks behind the ears. Please do not wear bandanas or scarves, as we will not be able to perform any services.

Temperature Screening

- Upon entering the salon, we will have a sanitation station where you can sanitize your hands, and we will be taking your temperature. If your temperature is over 100 degrees, we will kindly ask you to reschedule your appointment to a future date.

No Changing Room

- We will offer each guest one article of covering. Please do not wear any turtle necks, bulky sweaters/collars, or articles of value. You will not be able to change out of your shirt. Please avoid wearing anything that could catch hair or be visibly stained by color.

Personal Items

- Please keep personal items to a minimum. All items must stay on you at all times, including coats and umbrellas. Please do not bring any food items into the salon, unless required for health reasons.

One Person Per Appointment

- Please arrive alone, as we no longer have a waiting area. If you are a parent accompanying a child, you may wait with them, but we ask you to not approach the service station.

Product Purchases

- All products may be purchased online through our website. If you choose to purchase a product in-store, please ask a staff member to retrieve the product for you.

Thank you for reviewing the guidelines and respecting this process while we work through these trying times. If you have any questions, please feel free to email booking@revealhairsalon.com or call us at 203-359-3050.

We look forward to seeing you soon!
